District Assembly :

A team of Nine Rotarians including the newly elected officers of our club attended the District Assembly held at Mysore. The Rotary Club of Mysore spared no efforts to make the Assembly a success. Interesting discussions, enlightening lectures, planning sessions and warm fellowship figured in the programme.

Installation Ceremony :

On 9th July 1972 at a glittering function Rtn. C. S. Seshadri, I.A.S., Managing Director, Mysore State Financial Corporation, installed the new office-bearers. In his address, Rtn. Seshadri accentuated the significance of the Rotary movement to-day. He analysed the several methods by which Rotary could be transformed into an effective instrument of dynamic change in society, particularly in the rural areas. He urged the new officers to set forth limited targets and make determined efforts to fulfil them.

Earlier the out-going President Anwar Pasha welcomed the Chief Guest and the gathering. He briefly recounted the achievements of the past year. Rtn. Ranganathan, the live-wire out-going Secretary read the report and the messages received by the club on the occasion. Rtn. President Madhavan delivered the Presidential Address and promised that he would try to better the performance of the previous year. Rtn. Dilip Kumar felicitated Immediate Past President G.R. P. R. Sitaram and thanked him for his services to the club. Rtn. Sitaram replied suitably. Rtn. Nanda Sait, President of the Rotary Club of Mysore, offered his good wishes and heartily wished all success to the club. A short session of musical entertainment

was arranged. Rtn. Srinivas Setty, the new dynamic Secretary proposed a vote of thanks. The function was largely attended by the elite of the town.

Youth Merit Award :

The Citizenship Award Committee which met on 4th July 1972 selected Miss. Nalina Vimla Kumari of J. S. S College, Chamarajanagar, ~~to be the recipient of the Youth Merit Award for 1972.~~ The Award was generously donated by Rtn. Anwar Pasha. A consolation prize went to Mr. H Rajashekar of the same college. Both prizes were distributed on 9th July by Rtn. Seshadri.

Club Service :

Various lectures were delivered during the past months by eminent speakers. Rtn. K. K. Kapur spoke at length on "Youth Exchange Study Group" District 663 in the United States. "Public-Police Relations" formed the theme of a very interesting talk by Mr. Nagraj, M.Sc., Police Training College, Mysore. Mr. Chamhu Puranik, lecturer in Political Science, University of Mysore, addressed the members on "Politicians of India".

We enter into a new official year of existence this month. The time is at hand for us to experience a new vision of Rotary as expounded by

Roy Hickman, R. I. President and to take a new look afresh. It will augur well for the future if this new freshness of spirit permeates into all our Corporate activities in future.

Rotary Membership :

On May 22nd 1972, there were 15,266 clubs and an estimated 719,500 Rotarians in 41 countries and geographical regions.

The court was in session. A reluctant witness was being cross examined by the Lawyer.

Lawyer : "I ask you to answer my questions, Yes or No."

Witness : "Sir, I cannot. There are some questions which cannot be answered Yes or No."

The Lawyer scornfully challenged : "Give me one example".

The witness shot back : "Are you still beating your wife?"

The Priest came along and wrote on the sign-board, "I pray for all".

The Doctor wrote beneath : "I prescribe for all".

The ordinary citizen wrote, "I pay for all!".

The Four Way Test

of the things we think, say or do.

- * Is it the truth ?
- * Is it fair to all concerned ?
- * Will it build Goodwill and better friendship ?
- * Will it be beneficial to all concerned ?
